Reviewer Comments

Expensive but much nicer than traditional cream soda.

Refreshing, easy to drink, good aftertaste good colour

Although it is too sweet for me and I don't drink fizzy drinks, this is a good quality cream soda if a little expensive

Extremely sweet but smooth a smooth not too sickly. Left a Morris's aftertaste I found the packaging style unusual but made me notice it as different I didn't find it as fizzy as I would have expected but Tastes great, love the vanilla flavour. Packaging is a little boring and doesnt stand out. Also dont understand the logo but enjoyed the drink

Lovely tasting drink. A little sweet

A good flavour , just wondered why it is brown

OK but too sweet

Very refreshing. Nice tangy taste

Too dark in colour to be appealing. Could be fizzier. Artificial aftertaste.

Poor

Very sweet and expensive.

Horrid. Hate the packaging and label. Why is it brown not clear? Unpleasant aftertaste.

Too sweet for me

Very disappointing.
